### Christening

*"We loved the whole occasion. The venue, food and helpfulness of the staff were everything we hoped for. The area was set up how we wanted it and all our guests said what a great time they had. B52's had everything we wanted all under one roof, a private area, a bar, a music system and a good selection of buffet food. I cannot compliment you and your staff enough - it was the perfect end to a perfect day. Also being able to pop in and speak to you about our requirements etc helped enormously. The personal touch helped a lot!"*

*"Thank you very much for the amazing buffet you made and set out for Neil's funeral. You were very reassuring and made the experience really easy during a difficult time. The food surpassed our expectations and the service & presentation were impeccable. I would 100% recommend you to cater for any future event!"*
